#### MOMENT OF SILENCE TO HONOR VICTIMS OF TRAGIC PEDESTRIAN BRIDGE COLLAPSE AT FLORIDA INTERNATIONAL UNIVERSITY

(Mr. DIAZ-BALART asked and was given permission to address the House for 1 minute.)

Mr. DIAZ-BALART. Mr. Speaker, I am joined here today by members of the Florida delegation to honor the victims of the tragic pedestrian bridge collapse at Florida International University.

Last week, a pedestrian bridge that was designed to protect students and other campus personnel and visitors from the traffic on one of our busiest thoroughfares collapsed, taking the lives of six innocent people and leaving others gravely injured.

So many of us, particularly in south Florida, have a close and meaningful relationship with FIU, or Florida International University, and its students. This tragedy has hit our community exceedingly hard. We also know that, today, six grieving families are mourning in the wake of this horrific event.

Mr. Speaker, I know I speak on behalf of my colleagues when I say we are truly heartbroken after Thursday's horrendous bridge collapse. We are thinking of the victims, those injured, and are mourning with their families during this very difficult time.

This Florida delegation, Mr. Speaker, and this Congress, will leave no stone unturned to ensure something like this never happens again anywhere in our great country.

Alexa Duran;  
Navaro Brown;  
Brandon Brownfield;  
Rolando Fraga-Hernandez;  
Osvaldo Gonzalez; and,  
Alberto Arias.

We will never, ever forget them. We will remember them and grieve the lives cut short by this tragedy.

Mr. Speaker, may their legacy live on with all of us, with our community, and in the hearts of their loved ones.

Mr. Speaker, I would respectfully ask that the House observe a moment of silence in honor of these victims.

#### CONGRATULATING YOUNGSHVILLE HIGH SCHOOL ON WINNING IRISH BAND COMPETITION

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to congratulate the Youngsville High School Marching Band for winning the 48th annual Limerick International Band Championship in Ireland.

The Youngsville Marching Eagles stole the show as they were crowned the overall winners in the band competition. The Warren County students braved blizzard-like conditions to bring home the top prize. Snow was piled high on umbrellas, hats; and even big brass instruments were coated in snowflakes. But the weather couldn't dampen the spirits of the musicians or the spectators. Spirits are also flying high for the proud parents, friends, and supporters in Youngsville, Pennsylvania.

Mr. Speaker, the Youngsville Marching Eagles worked hard to fundraise to

make this international trip possible. For many, it was the first time they traveled outside the Commonwealth, let alone the country. The band also performed in Dublin at the St. Patrick's Festival Parade, where they were named "Best Small Band."

These Youngsville teens really dazzled the crowd, and I am so proud of their incredible international achievement. Congratulations to the band and Band Director Cindy Scheid.

#### REMEMBERING DR. STEPHEN HAWKING

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, I rise today to honor the extraordinary life of Dr. Stephen Hawking, who passed away last week at the age of 76.

Stephen Hawking was a brilliant student of the universe, a giant of the world stage, an inspiration to me personally and to us all. Through his discoveries about black holes and quantum mechanics, Professor Hawking challenged humankind to ponder the mysteries of the cosmos. He was curiosity personified, having once remarked: "My goal is simple. It is a complete understanding of the universe, why it is as it is and why it exists at all."

Yet Professor Hawking, who was diagnosed with ALS, also known as Lou Gehrig's disease, at the age of 21, also personified the unconquerable human spirit. He took on the challenges of his disability with unparalleled tenacity and a trademark sense of humor, all the while reminding us "to look up at the stars and not down at your feet."

Mr. Speaker, in short, he was a force of nature. He made a difference.

#### PERSONAL EXPLANATION

Ms. JACKSON LEE. Mr. Speaker, I was unavoidably detained on the vote on H.R. 835. If I had been present, I would have voted "aye."

#### HONORING THE LIFE OF STAFF SERGEANT CARL PHILIPPE ENIS

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, it is with deep respect that I recognize the tragic loss of Staff Sergeant Carl Philippe Enis, pictured here, who was one of seven brave U.S. servicemembers killed in a helicopter crash last Thursday, March 15, 2018, in western Iraq.

Carl, a south Florida native who grew up in my congressional district in Pinecrest, was an Air Force pararescueman serving in a combat role in Iraq for the 308th Rescue Squadron from Patrick Air Force Base supporting Operation Inherent Resolve when his helicopter went down.
